

Super Speed Study Skills with GCSEPod

Delights and enthralls large audiences

Super Speed Study Skills is our world class programme offering students a range of tools and techniques that will significantly increase their rate of learning and their ability levels. GCSEPod is taking the UK's educational world by storm and is already credited with attributable increases in GCSE attainment.

Bringing these two outstanding educational products together is simply the next logical step.

Super Speed Study Skills GCSEPod is not just an entertaining & memorable event, it is a high-impact experience, designed to empower students with effective study techniques that can be immediately applied to the GCSEpods

The seminar is delivered by a dynamic presenter, able to delight and enthrall large audiences. Indeed, as many as 300 students can be reached in just one day offering exceptional value for money.

Description

Ideal for KS4 students this fresh, uplifting, highly inspirational 2 hour presentation is designed to teach students about the principles of memory and to show them how to use efficient and effective study techniques with immediate practical application through GCSEPod.

Run in your school hall to groups of 150 at a time this course also significantly boosts self-confidence and raises aspirations - perfect for schools looking to empower their students and maximise results through GCSEPod.

Aims

The course has 4 main aims:

To stimulate a positive attitude to studying and revision

To empower students with effective study techniques

To fully integrate the skills learned with GCSEPod.

To raise self-belief and aspirations

Benefits

Students will leave the Super Speed Study Skills GCSEPod workshop equipped with a range of study tools and techniques that will boost their learning abilities for the rest of their lives – NOT just in school!

Students become more motivated through a greater understanding of how their brain works and how their own state of mind can influence their levels of success.

Aspirations are raised through a greater sense of 'I Can' and abilities rise as a direct consequence of this.

Content

During the workshop students will:

During the workshop students will:

Experience the power and effectiveness of creative study techniques

Be shown how to apply these techniques immediately to GCSEPod

Be shown how to remember things more easily by using their imaginations

Develop a far greater understanding of how their brain works and how they can make it work better for them

Leave the workshop equipped with a powerful range of study tools that can significantly increase the speed and effectiveness of their study and revision periods
